

Now Recycling the following for CASH!

In addition to recycling used cell phones and print cartridges, St. Stephen's has now teamed up with EcoPhones to recycle the following *working and non working electronic devices:*

- Digital Video Recorders/Digital Camcorders – include battery, power supply and charger
- Digital Picture Frames – include power supply
- GPS Devices – include battery, power cord and charger
- Portal DVD Players – include battery, power supply and charger
- Video Game Consoles, i.e. Playstation 2, Playstation 3, Xbox, Xbox 360, Wii and Game Cube
- Laptop/Notebook Computers – cannot accept laptops with a processor speed of 900 or less. Please include battery and power cord.
- MP3 Players – include battery and power cord
- Digital Cameras – include battery and power cord
- DVD Video Games – include original case

** Must include battery and power cords to get paid for Item as working, otherwise we will get paid on item as non working.

Your used items may be tax deductible and will be recycled in accordance with EPA regulations or refurbished and sold. Collection bins are located in the school hallway and church atrium. For more information or to obtain a tax receipt, please contact Mary Juliano at jmjuli@warwick.net or 987-7235.
